Karnataka. It is well known for its breathtakingly exotic scenery and lush greenery. Forest covered hills, spice and coffee plantations only add to the landscape.

Gokarna

With its pristine beaches and breathtaking landscapes, Gokarna is a Hindu pilgrimage town in Karnataka and a newly found hub for beach lovers and hippies. Situated on the coast of Karwar, every year Gokarna welcomes hordes of tourists from around the world in search of sanctity and relaxation. The out-of-town beaches like Kudle beach and Om Beach are a different contrast to life inside the town. Palm clad beaches are dotted with foreign tourists in a majority and very few Indians are seen across. Gokarna is not very conventionally touristy. The beaches are meant for a slow, relaxed holiday and everything on the beach goes at the same relaxed pace. Full of coconut and palm trees, the ocean and clean sands, Gokarna is a 'one of a kind' place in the country.
